

### TRAVEL INFORMATION CENTRES

Expect a friendly welcome, personal attention and a wealth of travel information at Alberta Tourism, Tourism Zones, and Community Travel Information Centres. Ask about hotel and motel accommodations, campgrounds, attractions and events around the province. Most centres also provide washroom and picnic facilities.

+ These information centres are operated by Alberta Tourism. Look for them on major highways as you enter the province. Other information centres listed are operated by local tourist zones and provide information on their region.

## METRIC MEASUREMENT

In Canada, all measurements are made using the metric system. Guides for approximate conversions are included below. Rain and snowfall, windspeed and visibility are expressed in metric units. Temperature is calculated on the Celsius scale. **All distance markers and road speed signs are in kilometres (km) and kilometres per hour (km/h).** Gasoline is measured in litres (3.8 litres = 1 U.S. gallon).

Temperature guide:  
40°C - a heat wave  
30°C - a hot day  
20°C - room temperature  
0°C - water freezes  
-10°C - a pleasant winter day  
-30°C - a cold winter day

### OTHER TOURIST LITERATURE AVAILABLE

Listings of commercial and public accommodation, including parks and campgrounds, are published in the Accommodation in Alberta and Campgrounds in Alberta guides. For copies of these and other guides, visit any of the Alberta Tourism's Information Centres, or write Alberta Tourism, Box 2500, Edmonton, Alberta T5J 2Z4.
